

art@gravellybarn

A big thank you to Jane Davelle who invited us to use the community space at the Art Matters Exhibition July 19th -21st , 27th -28th 2024 to share the work of the Ward Freman Community Pool Group.

These are some of the comments we received:

Keep up the good work, we need the pool for the community

We need this pool because all my grandchildren used this pool and learnt to swim. Also its so local, I will miss using the fabulous amenity.

Can't wait to swim in the Swimathon in the new pool "Swim England"

We son need our pool open in Buntingford again!

Definitely need the pool back – an essential for our community

We need this pool for good health

With the growing population in Buntingford and villages a nice pool is a necessity! We miss it terribly – this project is FABULOUS! Keep up the good work for young & old – a fitter population is happier, more productive and live longer.

Definitely need the pool. So many children missing out on vital swimming lessons or having to be driven miles to other pools.

Can't believe with all the development (property) in Buntingford more money hasn't been directed into this essential and fabulous project.
